INFORMATION CIRCULAR

June 14, 2022

INTRODUCTION

This Information Circular accompanies the Notice of Annual General Meeting of Shareholders (the “Notice”) and is furnished to the shareholders (the “Shareholders”) holding common shares (the “Common Shares”) in the capital of Cannabix Technologies Inc. (the “Company”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the “Meeting”) of the Shareholders to be held at 10:00 a.m. on Monday, July 25, 2022 at 501 - 3292 Production Way, Burnaby, BC V5A 4R4 for the following purposes.

Date and Currency

The date of this Information Circular is June 14, 2022. Unless otherwise indicated, all dollar amounts referred to herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Notice and Access

Notice-and-Access rules are provisions for the delivery of proxy-related materials to Shareholders found in section 9.1.1. of National Instrument 51-102 – Continuous Disclosure Obligations (“NI 51-102”), in the case of registered Shareholders, and section 2.7.1 of National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer (“NI 54-101”), in the case of beneficial Shareholders (“Notice-and-Access Provisions”), which allow an issuer to deliver an information circular forming part of proxy-related materials to Shareholders via certain specified electronic means provided that the conditions of NI 51-102 and NI 54-101 are met.

Notice-and-Access Provisions allow reporting issuers, other than investment funds, to deliver proxy-related materials to registered holders and beneficial owners of securities by posting their proxy-related materials on a non-SEDAR website (usually the reporting issuer’s website and sometimes the transfer agent’s website) rather than by delivering the information circular by mail. Notice-and-Access Provisions can be used to deliver materials for both general and special meetings. Reporting issuers may still choose to continue to deliver such materials by mail, and beneficial owners are entitled to request delivery of a paper copy of the information circular at the reporting issuer’s expense.

In order for the Corporation to utilize Notice-and-Access Provisions the Corporation must send a notice to Shareholders, including Non-Registered Holders, indicating that the proxy-related materials have been posted on a website and explaining how a Shareholder can access them or how they may obtain their own paper copy of those materials from the Corporation. This Circular has been posted in full on the Corporation’s website at www.cannabixtechnologies.com and copies are available under the Corporation’s SEDAR profile at www.sedar.com.

The Corporation sent the Notice of Meeting and Proxy, but not this Circular, in accordance with requirements of the Canadian securities administrators (the “CSA”) directly to its registered Shareholders

(pursuant to NI 51-102) and those non-registered (beneficial) holders (pursuant to NI 54-101) that have consented to allow their addresses to be provided to the Corporation (“**NOBOs**”). The Corporation does not intend to pay for intermediaries such as stockbrokers, securities dealers, banks, trust companies, trustees and their agents and nominees (“**Intermediaries**”) to forward the Notice of Meeting and VIF to those beneficial Shareholders that have refused to allow their address to be provided to the Corporation (“**OBOs**”). Accordingly, OBOs will not receive the Notice of Meeting and VIF unless their respective Intermediaries assume the cost of forwarding such documents to them. Instead of mailing this Circular to Shareholders, the Corporation has posted the Circular on its website pursuant to the ‘Notice and Access’ procedures of NI 54-101. Shareholders may request a paper copy of this Circular be sent to them by contacting the Corporation as set out under ‘Additional Information’ at the end of this Circular.

The Corporation will not rely upon the use of ‘stratification’. Stratification occurs when a reporting issuer utilizing Notice-and-Access Provisions provides a paper copy of the information circular with the notice to be provided to Shareholders as described above. In relation to the Meeting, all Shareholders will have received the required documentation under the Notice-and-Access Provisions and all documents required to vote in respect of all matters to be voted on at the Meeting. No Shareholder will receive a paper copy of the information circular from the Corporation or any intermediary unless such Shareholder specifically requests same.

The Corporation will deliver proxy-related materials to NOBOs directly with the assistance of its transfer agent, (TSX Trust Company). The Corporation will not pay intermediaries for delivery of proxy-related materials to OBOs.

Any Shareholder who wishes to receive a paper copy of this Circular must contact the Corporation at 501-3292 Production Way, Burnaby, BC, V5A 4R4, telephone (1-604-551-7831). In order to ensure that a paper copy of the Circular can be delivered to a requesting Shareholder in time for such Shareholder to review the Circular and return a proxy or voting instruction form prior to the deadline for receipt of Proxies at 10 a.m. PST on July 20, 2021 (the “Proxy Cut-Off Time”).

All Shareholders may call 1-604-551-7831 (collect calls accepted) in order to obtain additional information relating to the Notice-and-Access Provisions or to obtain a paper copy of the Circular, up to and including the date of the Meeting, including any adjournment of the Meeting.

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact and such solicitation will be made without special compensation granted to the directors, regular officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining, from the principals of such persons, authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this Information Circular and related proxy materials to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Common Share that such Shareholder holds on June 3, 2022 (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A Shareholder has the right to appoint a person or corporation (who need not be a Shareholder) to attend and act for or on behalf of that Shareholder at the Meeting, other than the Designated Persons named in the enclosed form of proxy.

To exercise this right, the Shareholder may do so by striking out the printed names and inserting the name of such other person and, if desired, an alternate to such person, in the blank space provided in the form of proxy. Such Shareholder should notify the nominee of the appointment, obtain the nominee’s consent to act as proxy and should provide instruction to the nominee on how the Shareholder’s Shares should be voted. The nominee should bring personal identification to the Meeting.

In order to be voted, the completed form of proxy must be received by the Company’s registrar and transfer agent, TSX Trust Company (the “**Transfer Agent**”), at its offices located at 301-100 Adelaide Street West, Toronto, ON M5H 4H1, or by the Company at the address set forth above, by mail or fax, at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be deposited with the Chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer, or attorney-in-fact, for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, should accompany the form of proxy.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting.

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space on the proxy. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Common Shares represented will be voted or withheld from the vote on that matter accordingly. The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the

matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. As of the date of this Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for the determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

NON-REGISTERED HOLDERS

Only Shareholders whose names appear on the records of the Company as the registered holders of Shares or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Company are “non-registered” Shareholders because the Shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the Shares; bank, trust company, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans; or clearing agency such as the Canadian Depository for Securities Limited (a “**Nominee**”). If you purchased your Shares through a broker or otherwise deposited your Shares with your broker, you are likely a non-registered holder.

In accordance with relevant securities laws and regulations, the Company has distributed copies of the form of proxy to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order to ensure that your Shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the proxy form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as “non-objecting beneficial owners” (“**NOBOs**”). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as “objecting beneficial owners” (“**OBOs**”).

In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), the Company has determined it will send proxy-related materials directly

to registered Shareholders and NOBOs. **If you are a NOBO, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding shares on your behalf.**

Hereinafter, NOBOS and OBOs will collectively be referred to as “**Non-Registered Shareholders**”.

The Company will not be providing the Notice of Meeting, the Circular or the form of proxy to registered Shareholders or Non-Registered Shareholders through the use of notice-and-access, as such term is defined in NI 54-101.

ADVICE TO NON-REGISTERED HOLDERS

The information in this section is of significant importance to many Shareholders, as a substantial number do not hold their Shares in their own name. Non-Registered Shareholders are advised that only proxies from Shareholders of record can be recognized and voted upon at the Meeting. If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered in the Shareholder’s name on the records of the Company. Such Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms).

Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Non-Registered Shareholder. Without specific instructions, brokers/nominees are prohibited from voting Shares for their clients. The directors and officers of the Company do not know for whose benefit the Shares registered in the name of CDS & Co. are held, and directors and officers of the Company do not necessarily know for whose benefit the Shares registered in the name of any broker or agent are held. Non-Registered Shareholders who complete and return a form of proxy must indicate thereon the person (usually a brokerage house) who holds their Shares as a registered Shareholder.

Applicable regulatory policy requires brokers and other intermediaries to seek voting instructions from Non-Registered Shareholders in advance of Shareholders’ meetings. Every broker and other intermediary has its own mailing procedure, and provides its own return instructions, which should be carefully followed. The form of proxy supplied by brokers and other intermediaries to Non-Registered Shareholders may be very similar and, in some cases, identical to that provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Non-Registered Shareholder.

In Canada, the vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Non-Registered Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Shares voted.**

Although a Non-Registered Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his broker, a Non-Registered Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. **Non-Registered Shareholders who wish to attend the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

Non-Registered Shareholders should contact their broker or other intermediary through which they hold Shares if they have any questions regarding the voting of such Shares.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at anytime, before it is exercised, by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

The Company may refuse to recognize any instrument of proxy deposited in writing or by the internet received later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in British Columbia) prior to the Meeting or any adjournment thereof.

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada, and securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) ("BCA"), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgement by a United States court.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Common Shares without par value and an unlimited number of preferred shares without par value. As of the Record Date, determined by the Board to be the close of business on June 3, 2022, a total of 114,144,104 Common Shares were issued and outstanding and no preferred shares were issued and outstanding. Each Common Share carries the right to one vote at the Meeting.

Only registered Shareholders as of the Record Date (June 3, 2022) are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the Company's directors and executive officers, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares of the Company, other than as set forth below:

Name of Shareholder	Number of Common Shares Owned	Percentage of Outstanding Common Shares ⁽¹⁾
CDS & CO ⁽²⁾	91,986,961	80.58%
Cede & CO ⁽³⁾	18,346,788	16.07%

⁽¹⁾ Based on 114,144,104 Common Shares issued and outstanding as of June 3, 2022. The Company believes that all persons hold legal title and the Company has no knowledge of actual Common Share ownership.

⁽²⁾ Management of the Company is unaware of the beneficial Shareholders of the Common Shares registered in the name of CDS & CO. CDS & Co., the registration name for The Canadian Depository for Securities, acts as nominee for many Canadian brokerage firms.

⁽³⁾ Cede and CO, Depository Trust Company

NUMBER OF DIRECTORS

The Articles of the Company provide for a board of directors of no fewer than three directors and no greater than a number as fixed or changed from time to time by majority approval of the Shareholders.

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at five (5). The number of directors will be approved if the affirmative vote of at least a majority of Common Shares present or represented by proxy at the Meeting and entitled to vote thereat are voted in favour of setting the number of directors at five (5).

Management recommends the approval of an ordinary resolution to set the number of directors of the Company at five (5).

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Interpretation

“Named executive officer” (“NEO”) means:

- A. a Chief Executive Officer (“CEO”);
- B. a Chief Financial Officer (“CFO”);
- C. each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- D. each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

The NEOs who are the subject of this Compensation Discussion and Analysis are Ravinder Mlait, CEO, Bryan Loree, CFO and Kulwant Malhi, President.

Compensation Discussion and Analysis

The Company’s compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company’s business objectives of improving overall corporate performance and creating long-term value for the Company’s shareholders. The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives, including the advancement of the exploration and development goals of the Company. The Company’s current compensation program is comprised of base salary or fees, short term incentives such as discretionary bonuses and long-term incentives such as stock options.

The Board has not created or appointed a compensation committee given the Company’s current size and stage of development. All tasks related to developing and monitoring the Company’s approach to the compensation of the Company’s NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company’s employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decision relating to them, as applicable, in accordance with the applicable corporate legislation.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees and discretionary

cash bonuses primarily reward recent performance and incentive stock options encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs' performances and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant.

Given the Company's current stage of development, the implications of the risks associated with the Company's compensation policies and practices have not been considered by the Board. Under the Company's compensation policies and practices, NEOs and directors are not prevented from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Option-Based Awards

The Company regards the strategic use of incentive stock options as a cornerstone of the Company's compensation plan. The Company is committed to long-term incentive programs that promote the continuity of an excellent management team and, therefore, the long-term success of the Company. The Company established a formal plan under which stock options may be granted to directors, officers, employees and consultants as an incentive to serve the Company in attaining its goal of improved shareholder value. It applies to personnel at all levels and continues to be one of the Company's primary tools for attracting, motivating and retaining qualified personnel which is critical to the Company's success. The Board is responsible for administering the Company's stock option plan and determining the type and amount of compensation to be paid to directors, officers, employees and consultants of the Company including the awards of any stock options under a stock option plan. Stock options are typically part of the overall compensation package for executive officers. See "Particulars of Matters to be Acted Upon – Approval of Stock Option Plan" for further details regarding the Company's incentive stock option plan.

All grants of stock options to the NEOs are reviewed and approved by the Board. In evaluating option grants to an NEO, the Board evaluates a number of factors including, but not limited to: (i) the number of options already held by such NEO; (ii) a fair balance between the number of options held by the NEO concerned and the other executives of the Company, in light of their responsibilities and objectives; and (iii) the value of the options (generally determined using a Black-Scholes analysis) as a component in the NEO's overall compensation package.
